

Cryptosporidium hominis
10E6

Product Information Sheet

Batch number: B 923 - 598

Production Data

Volume: 1ml
Viability: Viable
Catalogue Number: C.H10E6-V
Production Date: 14 June 2022

Stock specifics

Strain: TU502
Source: Piglet
Date purified: 27 May 2022
Date Excreted: 27 May 2022
Purification Method: Density Gradient Centrifugation
